## Large displays/pop-ups

### Large images attract attention

If you want to create extra impact, a large display is the perfect choice. With Expand pop-up walls, you can get a large image up quickly and easily.

- Large display that creates extra impact
- Despite its size, very easy and quick to set up
- Easy to transport (comes in transport box or bag with wheels)

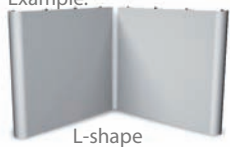

## Expand 2000

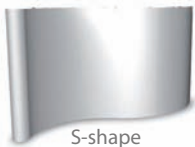

- The flexible system with endless possibilities.

The Expand 2000 is one of the most flexible display wall systems on the market today. It allows you to choose from its wide range of designs, shapes and sizes for you to create that unique display.

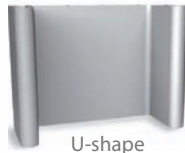

Example.

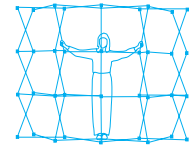

L-shape

S-shape

U-shape

### Sizes:

Width: Flexible

Height: flexible

### Accessories:

Spotlight, shelves, Expand PodiumBox or Expand PodiumCase

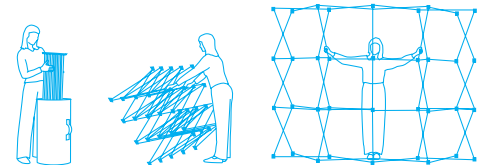

## Expand MediaWall

- The optimized imagewall for your message!

The Expand MediaWall presents you with the optimum shape and proportions for your message. The shape of the Expand MediaWall enhances the visibility of your graphics and allows it to be seen from all angles.

Expand MediaWall is designed to be easy and fast to set up wherever you choose.

The construction makes it one of the lightest imagewalls on the market. It fits into our rugged PodiumCase and into our specially developed bag on wheels

### Sizes:

Width: 270 and 337cm

Height: 230 cm

### Accessories:

Spotlight, Expand PodiumCase, Bag with wheels

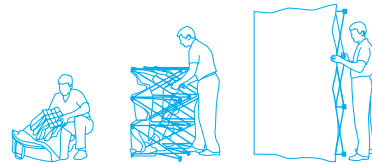

## Expand MediaFabric

-A large fabric display wall that you set up in a minute

Your image is printed on fabric that is fastened on the product, which means you do not need to attach your image to the product each time you set it up. When you set it up, your image is automatically stretched to a smooth surface. When needed, the image is easily replaced as Velcro® is used to attach the graphic.

Expand MediaFabric is available with or without covered ends.

### Sizes:

Width: 150-375 cm

Height: 225-300 cm

### Accessories:

Spotlight, Bag with wheels

Available in a straight and a curved version.

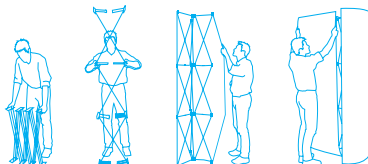

## Expand Tower

- Cylinder shaped display that attracts extra attention

The Expand Tower is a highly effective medium for attracting a little extra attention. On a small floor surface, the circular shape allows you to come up with different and creative solutions. An excellent way of displaying your logo.

Create a spectacular eye-catcher by back-lighting your Expand.

### Sizes:

Diameter: 66 cm

Height: 225, 300 cm

### Accessories:

Spotlight, lighting tubes

## Combined podium/transport box

Transport boxes that can be transformed into a counter or a podium

Use it as a podium and display your image or logotype on the front. When you are finished, just put your displays and accessories in the box and wheel it away.

- Perfect for transporting Expand MediaWall, Expand 2000, Expand MediaFabric and most of our other products.
- You can quickly and easily turn it into a podium
- Use the front of the counter for extra exposure

## Expand PodiumCase

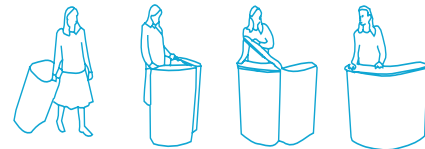

- A transport box that can be turned into a spacious counter

To create the counter, just open the box and put on the accompanying wooden top. The counter provides a large surface to gather around at your event. Inside, there are detachable shelves to hold your brochures, demo products and drinks.

Expand PodiumCases is perfect to transport Expand 2000, Expand MediaFabric and our other products.

Detachable shelves to hold brochures, demo products and drinks.

### Sizes:

Width: 124 cm (open case, see black example) and 73 cm (closed case, see white example)

Height: 98 cm

Accessories: Shelves, table top

#### Sizes:

Height: 98, 113 cm

Width: 56 cm

#### Accessories:

Table top

## Expand PodiumBox

-A combined podium and transport box

Use it as a podium and display your image on the front. When you are finished, just put your displays and accessories in the box and wheel it away. A perfect complement to our other products.

A table top is available as an accessory in birch, cognac, mahogany, white and aluminium.

Put your displays and accessories in the box for easy transport.

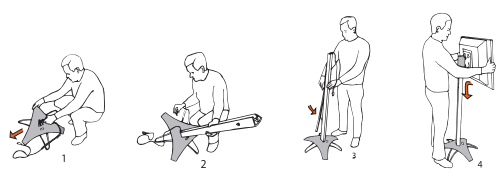

## Expand MonitorStand

- Combine traditional marketing with multimedia

LCD screens are a whole new type of media within portable displays, and with Expand MonitorStand you can follow this development. Combining printed and moving images allows you to bring out more impressions and a stronger message, which will strengthen your image and profile.

Expand MonitorStand can be used in two ways:

- Freestanding with monitor
- Completely or partially integrated with Expand 2000

Sizes:  
Foot: H x Ø: 100 x 590 mm  
Pole: 122 cm, 175 cm, 195 cm

Accessories:  
SmartSign Manager
